Please make sure your trash and recycling receptacles are kept on your property, not in the alley.

It is illegal to have trash and recycling receptacles in the alley except the evening before a collection day. Citations, and possible fines, are given to those people whose receptacles are in the alley on non-collection days. Questions? Call 311.

It is useful to paint your house number on your receptacles so they can be returned to you if they are misplaced by the collectors.

Don't wait to be reported! Keep all trash cans out of the alley.
